TECHNICAL DATA SHEET

Chainmail Apron

Product Information

The simple, one-piece design makes this apron a very popular choice where chainmail products are used. Designed to simply hang on the chainmail clips, from a grommet (it does not have neck strap). It has proven to be a comfortable, low cost and effective way to keep chainmail clear of any processing waste and contaminants. This product is custom made to fit any chainmail apron and is unique to Top Dog.

100% pure Polyurethane (PU) Ester.

Industry leading durability.

PU material will never crack.

Reusable

Reusable: Day after day, week after week, month after month. **Top Dog products last longer.**

Care Instructions

Launderable: Dip wash and hang dry (**Pure PU absorbs zero moisture**).

Machine washable and laundry safe to 82°C (180°F): Refer to laundering / cleaning instructions.

Material Water/fluid proof

Tear and puncture resistant.

Liquid proof barrier.

100% recyclable.

Compliance

Food safe.

CFIA, FDA/USDA and EU compliant.

Colours

Industry leading five (5) colour choices: Aligns with colour coding and HACCP initiatives.

Anti-microbial

Enhanced anti-microbial properties: Mold will not grow on this material.

Thickness

Thickness of 12 Mil (300 microns): Custom sized to match end-users chain mail buckle pattern; complete with waste ties and upper grommets for chain mail neck strap attachment.

Chemical Resistance Wearability

100% resistant to animal fats, degreasers, cleaning chemicals and water (plus many more fluids and chemicals): Contact Top Dog for details regarding chemical compatibility.

Soft / supple to -65°C.

Lightweight, supple and comfortable to wear.

Pure PU is slick: Virtually zero abrasion or adhesion; almost nothing sticks to (or stains) PU (grease, food/processing waste, glue, etc.).

The best choice in protective apparel
