TECHNICAL DATA SHEET

Gloves

Product Information

If you immerse your hand and arm into any liquid, these gloves are a perfect fit.

For food production, maintenance and sanitation work, this glove provides a full arm barrier designed to keep the user safe, clean and dry. One size, and with an elastic cuff. Use with our glove tightener if you need a snug fit around the fingers.

100% Pure Polyurethane (PU) Ester.

Industry leading durability.

PU material will never crack.

Reusable

Reusable: Day after day, week after week, month after month. **Top Dog products last longer.**

Care Instructions

Launderable: Dip wash and hang dry (**Pure PU absorbs zero moisture**).

Machine washable and laundry safe to 82°C (180°F): Refer to laundering / cleaning instructions.

Puncture resistant

Tear and puncture resistant.

100% recyclable.

Compliance

Food safe.

CFIA, FDA/USDA and EU compliant.

Colours

Industry leading 5 colour choices. Aligns with colour coding and HACCP initiatives.

Anti-microbial

Enhanced anti-microbial properties: Mold will not grow on this material.

Thickness of 6mil (150 microns).

Chemical Resistance

Available in 27" (69 cm) length.

100% resistant to animal fats, degreasers, cleaning chemicals and water (plus many more fluids and chemicals): Contact Top Dog for details regarding chemical compatibility.

Soft / supple to -65°C.

Wearability

Lightweight, supple and comfortable to wear.

Pure PU is slick: Virtually zero abrasion or adhesion; almost nothing sticks to (or stains) PU (grease, food/processing waste, glue, etc.).

The best choice in protective apparel
